Open University Malaysia (OUM) is a University founded in August 2000 by Multimedia Technology Enhancement Operations Sdn. Bhd. (METEOR), a consortium of 11 public Universities in Malaysia, in response to the invitation by the Minister of Education to set up an open university. Its official launch on 26 August 2002 was graced by the Prime Minister of Malaysia then, YAB Dato' Seri Dr. Mahathir Mohamad. OUM adopts the motto, 'University for all', as she believes in the democratisation of education; giving everyone a chance at self-actualisation and fulfilling their potential. Though OUM history does not go as far back as many other Universities, the numerous internationally recognised prestigious awards that it has won over the past years has shown its tremendous growth and its status as a reputable University in Malaysia.

Some of the awards are:

- ❑ **E-learning Recognition Award by Eszterhazy Karoly College, Hungary**
- ❑ **Technology Business Review Award for Excellence in Education Management- Provision of Continuous Education**
- ❑ **Best Paper Award at the 20th Asian Association of Open Universities, Kunming, China**
- ❑ **Awards of Excellence for Institutional Achievement in Distance Education**
- ❑ **Asia HRD Congress 2009 Award (Contribution to the organisation)**

Institute of Professional Development- Open University Malaysia (IPD-OUM) is officially established by OUM to provide specialised programmes dedicated to working professionals to enhance their competencies and add value to their career in this increasingly competitive working environment.

Who should do this programme

In today's fast paced global economy, it is important to constantly upgrade your skills and knowledge in order to remain competitive in the international job market. Executive Masters in Business Administration (EMBA) aims to provide the essential training for working professionals to not just remain competitive but also to tap into the talents of each individual and transform them into valuable leaders, thereby giving them a distinct advantage in rising towards greater career achievements.

It is therefore an ideal course for those who want to:

- 1. Upgrade their skills and knowledge**
- 2. Remain competitive in this global economy**
- 3. Progress in their career**
- 4. Take on leadership roles in their organization**
- 5. Aspiring entrepreneurs**
- 6. Change career path to management focus role**

About the Programme

The EMBA is specially designed to:

- Develop the competencies of professional individuals for effective managerial functions in any sector, globally.
- Enhance the leadership and management skills of its attendees to meet the increasingly demanding work requirements due to the pressure of globalisation.
- Gain exposure to a variety of industries internationally, through peer discussions and sharing of industrial knowledge by our veteran lecturers.

Programme Objectives

At the end of the program, attendees should be able to understand and/or apply:

- Effective leadership skills
- The five tasks of strategic management
- Effective decision making & planning skills
- Analysis of organizational situations to propose improvement of efficiency & effectiveness
- Organizational behaviour theories for creating of harmonious organizational culture
- Negotiation and conflict management skills to build stronger teams
- New technologies in management and work design, organizational culture and organizational change and development
- Good management practices and Corporate social responsibility
- Techniques of increasing organisation resources and generating new source of revenue

Programme Benefits

At the end of the programme, attendees will be able to use Executive Masters in Business Administration (EMBA) with their names and gain relevant advantages of its prestige. With this qualification, it will open more doors for better career options, promotion opportunities and greater earning power, worldwide.
